

HASTINGS TIGER HOOPS

Start your season with the best value in youth basketball:
Hastings Tiger Hoops Jamborees!

We are hosting four youth basketball Jamborees this winter for girls in grades 3 through 8. These one-day tournaments, a great value at only \$70 per team, give you a great chance to play extra basketball without charging your players big bucks!

- Guarantee of two games in one day (more if enough comparable teams)
- Low-travel costs because tournament is all in one day
- No lodging costs because tournament is all in one day
- All games in the top-notch facilities at Hastings High and the new Hastings Middle School (no cross down driving- all games in one place)
- Lots of dining options right around the campuses to make the day easy
- Teams matched by age and ability.
- A great alternative to costly tournaments and poorly run leagues!
- Admission for parents and others is only \$2 for those over 12, making watching much more affordable for families than regular tournaments.
- Extend your season and give your players more opportunities to improve without breaking the bank!

Pre-season Jamboree Sunday. December 20, 2009

A great way to get some early-season scrimmage work for your team.
Divisions for grades 3-4, 5-6, 7-8 Games start at 1 pm.

New Year's Jamboree Sunday. January 10, 2010

Get your team back in the swing of things after break with a couple games.
Divisions for grades 3-4, 5-6, 7-8. Games start at 1 pm.

HASTINGS TIGER HOOPS JAMBOREE RULES

1. Players must compete at grade level or above. (i.e. 4th graders can play in divisions for 4-5-6-7-8, but not 3.) Jamborees are small enough that we can make exceptions based on director's discretion based on individual teams to provide better competition.
2. Rosters of 7-10 players are recommended. Remember, your opponents are counting on these games, make sure you have enough in case of injury or illness.
3. Each team must be prepared to supply a score-keeper for the clock or book, if needed.
4. Each team should have a game ball ready for consideration of the referees.
5. Games will consist of two 16-minute halves with running clock until the final minute. The first overtime will be 2 minutes. The subsequent overtimes will be sudden-death.
6. One-and-one free throws will be shot after the fifth team foul in the second half. All first half non-shooting fouls will be taken out-of-bounds.
7. Each team will get two time-outs for the entire game, including any overtimes.
8. Full-court pressure is allowed unless you have a 10-point lead or greater. No pressing in 3-4 grade divisions.
9. Third and fourth grade divisions will play on 9-foot baskets.
10. Half-time will be 4 minutes.
11. Warm-up times will be minimal and we will run ahead of schedule whenever possible.
12. Other than above, national high school rules will apply.
