

Hastings Tiger Hoops

Youth Basketball for Hastings Girls
Hastings High School
1100 W 14th Street
Hastings, NE 68901
402-461-7550

We need your help in growing our youth basketball program in Hastings!

The Hastings Tiger Hoops is a program for 3rd through 8th grade girls that teaches solid fundamentals and builds enthusiasm for the game of basketball. The girls get instruction from high school coaches at over 25 practices throughout the season and participate in a variety of leagues and tournaments.

Last year we had over 80 girls in the program on eight different teams, and **this year we anticipate having even more!** We keep our program costs as low as possible (\$25 per girl including a jersey). **Our sponsors enable us make sure that no girl is left out of the program because of financial hardship.**

For the last two years we were able to offer full or partial scholarships to needy girls in all our age groups. These girls were able to improve their skills and experience a great program because of the generosity of people like you. **We didn't have to turn anyone away!** We had girls from all six elementary schools and the middle school and representation from all kinds of neighborhoods and families.

Your support will not only make scholarships possible, but it will help us raise money for basketball equipment to be used by every girl in our program from third grade to senior year. **Sponsoring Tiger Hoops helps make great things happen for Hastings Basketball and our community as a whole.**

We anticipate having 10-15 teams looking for sponsors this winter. See the back of this sheet for information on how you can help us offer a great program to Hastings girls. **Hastings has a long, proud history of community involvement in positive youth activities. Please join us in growing this program.**

Sincerely,

Greg Mays

Hastings Tiger Hoops Basketball Director
Head Coach Hastings High Girls Basketball
