

WASTINGS TIGER HOOPS

7/8 graders

Why play Tiger Hoops?

Tiger Hoops is a great complement to the middle school basketball program. Tiger Hoops will keep you improving and give you many chances to compete and improve as a basketball player after the short school season.

You are going to learn a lot during the school season. Tiger Hoops is designed to pick up where the short school season ends and keep preparing girls for high school basketball. Anyone who thinks basketball is something they might want to do beyond middle school should get involved with Tiger Hoops.

When does Tiger Hoops start?

We're going to try something new this year and begin Tiger Hoops during the middle school season. While you are playing for HMS we'll only meet once a week to shoot at the high school. We'll use The Gun® shooting system. It'll be a great complement to your middle school practices without wearing you out or risking injury. All we'll do is shoot.

Right before Christmas Break, as the HMS season ends, we'll start regular Tiger Hoops practices to get ready for post-break leagues and tournaments.

Questions: contact Greg Mays at HHS (461-7550) or home (463-9851) or hastingsbasketball@gmail.com

Organizational Parent Meeting Sunday November 1 @ HMS 1:30pm

Free throw contest for players while
parents meet.

What does it cost?

We've tried to combine flexibility to fit busy schedules and affordability to fit family budgets:

Basic Tiger Hoops Fee: \$25 to cover practice time, instruction and a reversible game/practice jersey. We'll have 15-20 practices this year. (Players who already have a jersey from last year, pay just \$20.)

YMCA League: Fee \$25

League fees are divided among the girls. The Y charges \$250 per team. Our sponsors help keep this cost at \$25 per girl even if we don't have 10 girls per team.

Tournament Fees Spring tournament fees will be divided among the players who choose to participate.

Scholarships Available: Because of the generosity of our many sponsors, we have some scholarship money available to help girls participate. **Applications available at HastingsTigerBasketball.com.**
